

PET'S POINT OF VIEW

The Peaceful Paws Program

Transform Your Pet's Anxiety into Calm

A comprehensive support system for pets with nervous system challenges, fear, anxiety, and puzzling behaviors.

What Makes This Program Unique:

- Continuous guidance rather than one-off sessions
- Integration of animal communication and TTouch
- Custom-tailored approach for your unique pet
- Focus on understanding behavior from your pet's perspective

[CONTACT US FOR A FREE DISCOVERY SESSION](#)

Available online and in-person

Testimonial:

We have called upon Ute for three animals in all life stages. Ute understood our pet's point of view with all of her heart and helped us to lean into our own intuitions. She also provided nutritional and emotional support where needed. She is our lifeline and go-to for a better understanding of our pet's point of view when we need it! I wouldn't do life without her !! Dawn

Fees start at \$775
